Section 4: Artistic Work Samples and Work Sample Descriptions

See grant instructions and guidelines for specifications. Call ECRAC staff with any questions.

Work Samples - As you select a work sample for submission, remember that artistic excellence is the primary criteria. It is important that the samples you submit represent your work to its best advantage. Put your strongest work samples first. In general, the grant reviewers are not looking for a range in abilities. Rather, they look for a cohesive vision for grant recipients. If after reading the following, you have questions about your work samples or your work sample description list, contact an ECRAC staff person for specifications.

Combine samples as needed into documents/files in order to upload. There are three work sample upload fields allowing a total of 24 MiB. You may also link to your personal YouTube videos in the space provided.

FYI - Including more than the allowable number or length of work samples may disqualify your application.

Performance and Installation Artists; Actors and Directors; Dance, Film and Video Artists - 6 minutes maximum combined running time for all selections. In your work sample description please indicate the length of each sample (example 2 min. 30 sec.). List the title and recording date of each work. We recommend a YouTube link for this. Only use your own YouTube video

links to ensure availability.

Musicians– 6 minutes maximum combined running time for all selections. Do not submit scores. In your work sample description please indicate the length of each selection (example 2 min. 30 sec.) List the title and recording date of each work. We recommend a YouTube link for this or MP3. Only use your own YouTube video links to ensure availability.

Writers, Playwrights, Screenwriters, Prose Writers and Poets - 2 samples of 5 pages or less. Scholarly manuscripts, standard journalism, and translations are not accepted. We recommend a Word document or PDF.

Visual Artists - There are a maximum of 10 visual artwork samples allowed. You should have all your samples in one document, one sample per page, and upload this document into one work sample field below, as long as it is not over 24 MiB. See below for work sample description information needed. We recommend a PDF for this, with a black background. Please contact ECRAC staff for further direction or other specifications if needed.

Other – If your art form does not fit into the categories above, please contact ECRAC staff for direction or other specifications.

Work Sample Description - The work sample descriptions should be brief, but they are required.

Include the following information:

- the title of the artwork;
- a brief description of each work sample submitted, including materials used in construction (if appropriate), dimensions, and completion dates;
- any additional details as noted above.
